

**Jose Marti MAST 6-12  
2012 - 2013 Subject Selection Form**

Please take care when choosing your classes. We will do our best to give you your FIRST choice of Electives. However, due to a lack of interest – an elective class may be dropped. Every effort will be made to give you your second choice but, due to scheduling conflicts, this may not always be possible. Once a student is scheduled in a **requested** course, **THE SCHEDULE WILL NOT BE CHANGED**.

Note: It is the responsibility of students and their parents to ensure that they are on track for graduation and have completed their Community Service Requirements and Virtual School Requirement . Make an appointment with your counselor in order to review your credits if you have any questions and/or concerns.
