

**Jose Marti MAST 6-12
2013 - 2014 Subject Selection Form**

Please take care when choosing your classes. We will do our best to give you your FIRST choice of Electives. However, due to a lack of interest – an elective class may be dropped. Every effort will be made to give you your second choice but, due to scheduling conflicts, this may not always be possible. Once a student is scheduled in a **requested** course, **THE SCHEDULE WILL NOT BE CHANGED**.

Note: It is the responsibility of students and their parents to ensure that they are on track for graduation and have completed their Community Service and Virtual School Requirements. Make an appointment with your counselor in order to review your credits if you have any questions and/or concerns.
