Parents and Students,

Congratulations on being a distinguished member of the prestigious **JOSE MARTI MAST 6-12 ACADEMY**. Your hard work and dedication has afforded you a place in this specialty program and we look forward to making history in the 2011-2012 school year!

Studies show that students learn and lead more productive lives when parents, school staff and the community work together. The PTSA's mission is to bring these groups together to share thoughts and ideas on programs and activities that nurture and benefit all.

### Won't you help us make a difference?

Many times, **ONE PERSON** can launch a new idea that develops a new program. Many times, **ONE PERSON** can identify a need that should be addressed. Many times, **ONE PERSON** can suggest a new way in which we can raise additional funding. We want to hear what **YOU** have to say! Becoming a member of the PTSA is an important first step.

Our PTSA officers are already hard at work to make this year another successful one. By developing close relationships with parents, students, school administration and teachers, we work together to identify the needs and develop the solutions that enhance the school environment and the student experience

### Our goal is to have 100% membership!

Please make your commitment known through active participation and membership. This year we are excited to announce a membership competition between classes. The first class in each grade to achieve 100% membership will be treated to donuts during homeroom!

Please join today and help us support your children!

Sincerely,

PTSA Board
